Greetings:

This year the Booker T. Washington Alumni Association will celebrate our 50th Anniversary. The school closed its doors in 1966. The Alumni group started out wanting to reconnect with their former classmates and friends. When returning alumni and friends enjoyed the initial event the original organizers, who soon after became the Alumni Association, decided to hold 5-year reunions but award scholarships annually to a deserving high school graduate. The practice of awarding scholarships has continued every year since then.

Currently, four students are attending college and each of them receive a thousand dollars a year. We are very proud to acknowledge that we have helped 56 students to further their educations.

To celebrate our 50-year journey we are creating a Souvenir Journal to help mark this historical event.
